## EDUCATION

---

### University of Michigan

Ann Arbor, MI

August 2020 - Present

B.S. in Computer Science

- GPA: 3.7/4.0 (University Honors)

## TECHNICAL SKILLS

- HTML, CSS, JavaScript, React, Git, C++

## PROJECTS

### Entertainment App

- Handled a public API to show top trending movies and tv series
- Allowed users to create and edit a custom watch list
- Managed data and components using React and Material UI

[shennyj.github.io/  
EntertainmentReactApi/](https://shennyj.github.io/EntertainmentReactApi/)

### Food Subscription Website

- Created a mock Chinese food subscription website using HTML and CSS
- Designed to incentivize customers to purchase a food subscription

[shennyj.github.io/ShenFood/](https://shennyj.github.io/ShenFood/)

### Recipe List App

- Allowed users to customize personalized recipes using React State
- Tested React Context to pass recipe data through components

[shennyj.github.io/reactcookinglist/](https://shennyj.github.io/reactcookinglist/)

### Notes App

- Programmed users to edit and delete customized notes using React
- Organized React State to store information within components

[shennyj.github.io/ReactNoteApp/](https://shennyj.github.io/ReactNoteApp/)

### Weather App

- Utilized the JavaScript Fetch API to make HTTP requests
- Operated a public weather API to display any city's forecast

[shennyj.github.io/reactweatherapp/](https://shennyj.github.io/reactweatherapp/)
